About Australian Vintage:

At Australian Vintage (AV), our purpose is to make the world a smaller place through sharing good times.

Australian Vintage is an ASX listed company and owner of the multi-award winning McGuigan, Tempus Two, Nepenthe and Barossa Valley Wine Company brands.

Leveraging our world-class assets and innovative know-how, in 2022 we expanded into spirits and ready-to-drink cocktails to diversify our portfolio and deliver products that consumers are demanding - from a world-first gin to a playful sustainable spirit and high-quality cocktail convenience.

We are proud to be committed to an ESG strategy that encompasses environmental impact and climate action, alongside social impact initiatives to support communities and good corporate governance. We have set an ambitious climate target – informed by current climate science – to achieve Net Zero carbon emissions by 2040 across the entire value chain. Our Buronga Hill winery and Merbein packaging facility are 100% powered by wind and solar.

Australian Vintage is proudly recognised by Mental Health First Aid Australia as an accredited Mental Health First Aid workplace as of January 2023.

About the role:

We are currently seeking a highly motivated and commercially minded Project Manager to join our growing business. The role is responsible for the project management of the CRC-Project *Advancement of Australian Lifestyle Wines* lead by AV along with ten industry partners to help cement Australia as the Global Leader in NoLo wines. This is a 3-year project commencing in January 2024.

Reporting to the Chief Winemaker your primary duties will include:

- Manage stakeholder contribution including Government, Partners, Researchers and PhD Students.
- Manage the reporting requirements including regular technical, milestone and financial reports for Government, Partners, Industry and AV.
- Organise and run regular progress meetings with key stakeholders.
- Manage project key deadlines and milestones.
- Hold stakeholders accountable to the above including research and reporting timings.
- Assist with the Auditing requirements of the Grant process.
- Actively manage interactions between AV and other external groups to facilitate the delivery of the project.
- Support and contribute to efficient and effective project management systems for project planning, coordination and execution.

- Provide administrative back-up support to other components of the group, including technical problem-solving capabilities.
- Provide support to research partners in the delivery of extension activities.

We are looking for:

- **Excellent Leadership Skills:** This role requires a high degree of stakeholder management and negotiating both internally and externally. The successful applicant is comfortable working in a collaborative leadership style and working with research partners and industry professionals.
- **Strong commercial acumen:** We are looking for someone with strong reporting skills and proven ability to work well with data and insights.
- **Agility:** As our business continues to grow, we are looking for individuals who excel in a fast-paced environment and high-impact roles.
- **Previous Project Management Experience:** The successful candidate will have previous experience as a Project Manager or an understanding of the research, project management and/or Grant field.
- **Availability:** The successful candidate will be available for the full contract time, ideally starting in January 2024 and finishing in January 2029.

Australian Vintage Benefits:

We're proud to offer a strong benefits package that we know can make a big difference to work life and life outside of work.

- Primary carer parental leave offering 26 weeks paid leave
- Loyalty leave
- 'Work anywhere' for up to two weeks annually
- Birthday leave
